In the Matter of

IDAHO POWER COMPANY,

2019 Annual Power Cost Update.

ORDER

**DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED**

On April 18, 2019, the Oregon Citizens' Utility Board filed a Request for Partial Payment of its Idaho Power Company Issue Fund Grant. The procedures for payment of Issue Fund Grants are governed by Section 7.1 of the Intervenor Funding Agreement (Agreement), adopted by the Commission in Order No. 16-028. CUB is automatically precertified to receive Issue Fund Grants under OAR 860-001-0120(3)(a) and under Section 5.1 of the Agreement.

CUB asks for a partial payment of \$2,000 from the Idaho Power Issue Fund. Under the Agreement, the Request for Payment must:

1. Itemize the expenses, payees and hourly rates of amount to be reimbursed;
2. Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget;
3. Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant; and
4. Specify whether the request for payment is for a progress payment or a final payment and indicate whether any approved budget amount may be released back to the applicable Issue Fund.

Further, under the terms of the Agreement, CUB must establish that it has used in-house resources or outside funding for at least 20 percent of the Eligible Expenses for an

Eligible Proceeding. Agreement at 10. CUB provided the required documentation in its request.

The Agreement provides that the Commission determine in each proceeding how the participating utilities are to recover the funding grants from the various customer classes. Under Section 7.6, Issue Fund Grants should be allocated to align the costs of the advocacy with the intended potential beneficiaries of the advocacy. The Commission considered the intended beneficiaries, and finds that the issue fund expenditures should be allocated to Idaho Power residential customers.

The Commission finds that CUB's request meets the requirements of the Agreement, and its request should be approved. Section 7.1 of the Agreement provides that the utility must pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive.

IT IS ORDERED that:

1. The Oregon Citizens' Utility Board's request meets the requirements of the Intervenor Funding Agreement, and its request is approved.
2. Idaho Power Company pay \$2,000 from its Issue Fund to the Oregon Citizens' Utility Board within 30 days after receipt of this order, and the grant be assessed to Idaho Power Company's Oregon residential customers.

Made, entered, and effective Apr 23, 2019.
